Paul Mitchell The School North Haven

PROMETRIC EXIT NOTICE

This is an acknowledgment that you have been registered for the Prometric CT Cosmetology state board exam. Please note that the testing date requested is not guaranteed. Paul Mitchell The School North Haven is not affiliated with, or able to address challenges related to Prometric.

Once Prometric has placed the applicant in a test date, the applicant will receive an admission letter via e-mail noting the date and time of the exam 30 days prior to the testing date. It is the applicant's responsibility to review and make note of the information in this letter as Prometric may sometimes shift the testing date without prior notification.

We are here to support with any communication the future professional may need but it is beyond our control to guarantee test dates and licensing systems from the State of Connecticut.

It is the students responsibility to pay the $65 Prometric Testing fee and $100 State Licensure fee.
